Dear Mr Gauzès

Draft endorsement advice from EFRAG to the European Commission on the adoption of *Interest Rate Benchmark Reform Amendments to IFRS 9, IAS 39 and IFRS 7*

We are responding to your invitation to contribute to the due process of the EFRAG and comment on the EFRAG's draft endorsement advice relating to the *Interest Rate Benchmark Reform Amendments to IFRS 9, IAS 39 and IFRS 7* ("the Amendments").

Following consultation with members of the PricewaterhouseCoopers network of firms, this letter summarises the views of member firms who commented on the EFRAG's draft endorsement advice. "PricewaterhouseCoopers" refers to the network of member firms of PricewaterhouseCoopers International Limited, each of which is a separate and independent legal entity.

We welcome the EFRAG's draft endorsement advice and agree with its conclusions. We also are supportive of the accelerated timetable for endorsement of the Amendments so as to enable timely relief for entities whose hedging relationships could be adversely affected by interest rate benchmark reform.

If you have any questions in relation to this letter please do not hesitate to contact Henry Daubenev, PwC Global Chief Accountant and Head of Reporting (+ 44 (0) 7841 569635), or Sandra Thompson, (+ 44 (0) 7921 106900).

Yours faithfully

PricewaterhouseCoopers LLP

INVITATION TO COMMENT ON EFRAG'S ASSESSMENTS ON Interest Rate Benchmark Reform (Amendments to IFRS 9, IAS 39 and IFRS 7)

Comments should be submitted by 10 October 2019 by using the [express your views](#) page on EFRAG website or by clicking [here](#).

EFRAG has been asked by the European Commission to provide it with advice and supporting material on Interest Rate Benchmark Reform (Amendments to IFRS 9, IAS 39 and IFRS 7). In order to do so, EFRAG has been carrying out an assessment of Amendments against the technical criteria for endorsement set out in Regulation (EC) No 1606/2002 and has also been assessing the costs and benefits that would arise from their implementation in the European Union (the EU) and European Economic Area.

A summary of the Amendments is set out in Appendix 1 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments.

Before finalising its assessment, EFRAG would welcome your views on the issues set out below. Please note that all responses received will be placed on the public record, unless the respondent requests confidentiality. In the interests of transparency, EFRAG will wish to discuss the responses it receives in a public meeting, so it is preferable that all responses can be published.

EFRAG's initial assessments, summarised in this questionnaire, will be updated for comments received from constituents when EFRAG is in the process of finalising its *Letter to the European Commission* regarding endorsement of the Amendments.

EFRAG's initial assessment with respect to the technical criteria for endorsement

- 2 EFRAG's initial assessment of the Amendments is that they the technical criteria for endorsement. In other words, the Amendments are not contrary to the principle of true and fair view and meet the criteria of understandability, relevance, reliability, comparability and lead to prudent accounting. EFRAG's reasoning is set out in Appendix 2 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments.

- (a) Do you agree with this assessment?

Yes No

If you do not agree, please provide your arguments and what you believe the implications of this could be for EFRAG's endorsement advice.

- (b) Are there any issues that are not mentioned in Appendix 2 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments that you believe EFRAG should take into account in its technical evaluation of the Amendments? If there are, what are those issues and why do you believe they are relevant to the evaluation?

The European public good

- 3 In its assessment of the impact of the Amendments on the European public good, EFRAG has considered a number of issues that are addressed in Appendix 3 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments.

Improvement in financial reporting

- 4 EFRAG has identified that in assessing whether the endorsement of the Amendment is conducive to the European public good it should consider whether the Amendments are an improvement over current requirements across the areas which have been subject to changes (see paragraphs 3 to 5 of Appendix 3 of the accompanying *Draft Letter to the European Commission*). To summarise, EFRAG's initial assessment is that the Amendments are likely to improve the quality of financial reporting.

If you do not agree, please provide your arguments and indicate how this could affect EFRAG's endorsement advice.

Costs and benefits

- 5 EFRAG is also assessing the costs that are likely to arise for preparers and for users on implementation of the Amendments in the EU, both in year one and in subsequent years. Some initial work has been carried out, and the responses to this invitation to comment will be used to complete the assessment.

The results of the initial assessment of costs are set out in paragraphs 6 to 13 of Appendix 3 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments. To summarise, EFRAG's initial assessment is that the Amendments will not result in significant undue costs for preparers and for users they will likely be cost neutral.

Do you agree with this assessment?

Yes No

If you do not, please explain why you do not and (if possible) explain broadly what you believe the costs involved will be?

- 6 In addition, EFRAG is assessing the benefits that are likely to be derived from the Amendments. The results of the initial assessment of benefits are set out in paragraph 14 to 17 of Appendix 3 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments. To summarise, EFRAG's initial assessment is that the benefits resulting from the Amendments are likely to outweigh costs associated with their implementation.

Do you agree with this assessment?

Yes No

If you do not agree with this assessment, please provide your arguments and indicate how this could affect EFRAG's endorsement advice.

- 7 EFRAG's initial assessment is that the benefits to be derived from implementing the Amendments in the EU, as described in paragraph 6 above, are likely to outweigh the costs involved, as described in paragraph 5 above

Do you agree with this assessment?

Yes No

If you do not agree with this assessment, please provide your arguments and indicate how this could affect EFRAG's endorsement advice.

Other factors

- 8 EFRAG has identified a number of other factors that could be considered in assessing whether the endorsement of the Amendments are conducive to the European public good (see Appendix 3, paragraphs 18 to 20).

Do you agree with the assessment of these factors?

Yes No

If you do not agree, please provide your arguments and indicate how this could affect EFRAG's endorsement advice.

Do you agree that there are no other factors to consider in assessing whether the endorsement of the Amendments is conducive to the European public good?

Yes No

If you do not agree, please identify the factors, provide your views on these factors and indicate how this could affect EFRAG's endorsement advice.

Overall assessment with respect to the European public good

- 9 EFRAG has initially concluded that endorsement of the Amendments would be conducive to the European public good (see paragraphs 21 to 24 of Appendix 3 of the accompanying *Draft Letter to the European Commission*).

Do you agree with this conclusion?

Yes No

If you do not agree, please explain your reasons.
