Dear Board Members,

Re: Draft IFRIC Interpretation DI/2015/1 Uncertainty over Income Tax Treatments

The Swedish Financial Reporting Board is responding to your invitation to comment on the draft IFRIC interpretation regarding uncertainty over income tax treatments.

We support the proposal and believe that it will reduce inconsistency in practice.

If you have any questions concerning our comment please address our Executive member Claes Janzon by e-mail to: claes.janzon@radetforfinansiellrapportering.se.

Stockholm, 15 January 2016

Yours sincerely,

Anders Ullberg
