# AFRAC, EFRAG & WU VIENNA JOINT OUTREACH EVENT ON EFRAG EXPOSURE DRAFTS ON DRAFT ESRS

AFRAC, EFRAG & the Institute for Accounting & Auditing at Vienna University of Economics and Business (WU Vienna) will hold a joint outreach event on 22 June 2022 to discuss the EFRAG Exposure Drafts on Draft European Sustainability Reporting Standards.

**22 June 2022 – 14:00 to 18:00 (CET)** 

**WU Vienna & Online (Hybrid)** 

On 29 April 2022, EFRAG launched a [public consultation](#) on the Exposure Drafts (EDs) on the first set of Draft European Sustainability Reporting Standards (ESRS). The public consultation will examine the following sections:

- > the relevance of the proposed architecture, the implementation of the CSRD principles and the overall content of each ED;
- > the possible options for prioritisation/phasing-in the implementation of the ESRS; and
- > the adequacy of each disclosure requirement mandated by each ED.

In this context, AFRAC, EFRAG & the Institute for Accounting & Auditing at the WU Vienna are organising a joint information event and invite all interested stakeholders to participate. Panellists will provide their views on the proposed disclosure requirements and will further comment from their perspective on the EDs of Draft ESRS. The audience will be able to interact, raise questions and answer polling questions that will be commented by the speakers.

### REGISTRATION

Please register [HERE](#) for the event.

The event will be held hybrid, with limited space on site. Therefore, the first-come-first-serve principle applies. As soon as the places are allocated, only online participation is possible.

**Please note that the event will be held in German.**

If you have any questions, please contact [office@frac.at](mailto:office@frac.at).
