

INVITATION TO COMMENT ON EFRAG'S ASSESSMENTS ON Disclosure of Accounting Policies (Amendments to IAS 1 and IFRS Practice Statement 2)

Once filled in, this form should be submitted by 7 June 2021 using the 'Comment publication link' available at the bottom of the respective news item. All open consultations can be found on EFRAG's web site: [Open consultations: express your views](#).

EFRAG has been asked by the European Commission to provide it with advice and supporting material on *Disclosure of Accounting Policies (Amendments to IAS 1 and IFRS Practice Statement 2)* (the Amendments). In order to do so, EFRAG has been carrying out an assessment of the Amendments against the technical criteria for endorsement set out in Regulation (EC) No 1606/2002 and has also been assessing the costs and benefits that would arise from its implementation in the European Union (the EU) and European Economic Area.

The Amendments introduce changes to both IAS 1 *Presentation of Financial Statements* and to the IFRS Practice Statement 2 *Making Materiality Judgement*. The present endorsement advice only addresses the changes to IAS 1 as the Practice Statement has not been endorsed for application in the European Union.

A summary of the Amendments is set out in Appendix 1 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments.

Before finalising its assessment, EFRAG would welcome your views on the issues set out below. Please note that all responses received will be placed on the public record, unless the respondent requests confidentiality. In the interests of transparency, EFRAG will wish to discuss the responses it receives in a public meeting, so it is preferable that all responses can be published.

EFRAG's initial assessments, summarised in this questionnaire, will be updated for comments received from constituents when EFRAG is in the process of finalising its *Letter to the European Commission* regarding endorsement of the Amendments.

EFRAG's initial assessment with respect to the technical criteria for endorsement

- 2 EFRAG's initial assessment of the Amendments is that meet the technical criteria for endorsement. In other words, the Amendments are not contrary to the principle of true and fair view, meet the criteria of understandability, relevance and reliability and raise no issues regarding comparability and prudent accounting. EFRAG's reasoning is set out in Appendix 2 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments.

- (a) Do you agree with this assessment?

X Yes No

If you do not agree, please provide your arguments and what you believe the implications of this could be for EFRAG's endorsement advice.

- (b) Are there any issues that are not mentioned in Appendix 2 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments that you believe EFRAG should take into account in its technical evaluation of the Amendments? If there are, what are those issues and why do you believe they are relevant to the evaluation?

The European public good

- 3 In its assessment of the impact of the Amendments on the European public good, EFRAG has considered a number of issues that are addressed in Appendix 3 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments.

Improvement in financial reporting

- 4 EFRAG has identified that in assessing whether the endorsement of the Amendments is conducive to the European public good it should consider whether the Amendments are an improvement over current requirements across the areas which have been subject to changes (see paragraphs 46 to 49 of Appendix 3 of the accompanying *Draft Letter to the European Commission*). To summarise, EFRAG's initial assessment is that the Amendments are likely to improve the quality of financial reporting by helping entities identify and disclose information that is material to users.

Do you agree with the assessment?

X Yes No

If you do not agree, please provide your arguments and indicate how this could affect EFRAG's endorsement advice.

Costs and benefits

- 5 EFRAG is also assessing the costs that are likely to arise for preparers and for users on implementation of the Amendments in the EU, both in year one and in subsequent years. Some initial work has been carried out, and the responses to this invitation to comment will be used to complete the assessment.

The results of the initial assessment of costs are set out in paragraphs 52 to 57 of Appendix 3 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments. To summarise, EFRAG's initial assessment is that the Amendments are likely to result in insignificant initial and ongoing costs for preparers and will likely be cost-neutral for users.

Do you agree with this assessment?

X Yes No

If you do not, please explain why you do not and (if possible) explain broadly what you believe the costs involved will be?

- 6 In addition, EFRAG is assessing the benefits that are likely to be derived from the Amendments. The results of the initial assessment of benefits are set out in paragraph 58 to 61 of Appendix 3 of the accompanying *Draft Letter to the European Commission* regarding endorsement of the Amendments. To summarise, EFRAG's initial assessment is that both preparers and users are likely to benefit from the Amendments as they will help entities identify and disclose accounting policy information that is material to users.

Do you agree with this assessment?

X Yes No

Invitation to Comment on EFRAG's Initial Assessments*

If you do not agree with this assessment, please provide your arguments and indicate how this could affect EFRAG's endorsement advice.

- 7 EFRAG's initial assessment is that the benefits to be derived from implementing the Amendments in the EU, as described in paragraph 6 above, are likely to outweigh the costs involved, as described in paragraph 5 above.

Do you agree with this assessment?

X Yes No

If you do not agree with this assessment, please provide your arguments and indicate how this could affect EFRAG's endorsement advice.

Overall assessment with respect to the European public good

- 8 EFRAG has initially concluded that endorsement of the Amendments would be conducive to the European public good (see paragraphs 63 to 66 of Appendix 3 of the accompanying *Draft Letter to the European Commission*).

Do you agree with this conclusion?

X Yes No

If you do not agree, please explain your reasons.
