

INVITATION TO COMMENT ON EFRAG'S ASSESSMENTS ON Interest Rate Benchmark Reform (Amendments to IFRS 9, IAS 39 and IFRS 7)

Comments should be submitted by 10 October 2019 by using the <u>express your views</u> page on EFRAG website or by clicking here.

EFRAG has been asked by the European Commission to provide it with advice and supporting material on Interest Rate Benchmark Reform (Amendments to IFRS 9, IAS 39 and IFRS 7). In order to do so, EFRAG has been carrying out an assessment of Amendments against the technical criteria for endorsement set out in Regulation (EC) No 1606/2002 and has also been assessing the costs and benefits that would arise from their implementation in the European Union (the EU) and European Economic Area.

A summary of the Amendments is set out in Appendix 1 of the accompanying *Draft Letter* to the European Commission regarding endorsement of the Amendments.

Before finalising its assessment, EFRAG would welcome your views on the issues set out below. Please note that all responses received will be placed on the public record, unless the respondent requests confidentiality. In the interests of transparency, EFRAG will wish to discuss the responses it receives in a public meeting, so it is preferable that all responses can be published.

EFRAG's initial assessments, summarised in this questionnaire, will be updated for comments received from constituents when EFRAG is in the process of finalising its *Letter to the European Commission* regarding endorsement of the Amendments.

As noted in the response to Question 8 above, AC agrees that the various factors considered in EFRAG's Appendix 3 are appropriate in the assessment of endorsement being conducive to the European public good. AC wants to specifically add its voice to the importance of having the Amendments endorsed as soon as possible with a view to being available for early application in 31 December 2019 year-end financial statements. AC views this as being key for the reasons set out in EFRAG's paper and welcomes EFRAG's continued efforts in this regard.
